PANTHER

THE PANTHER

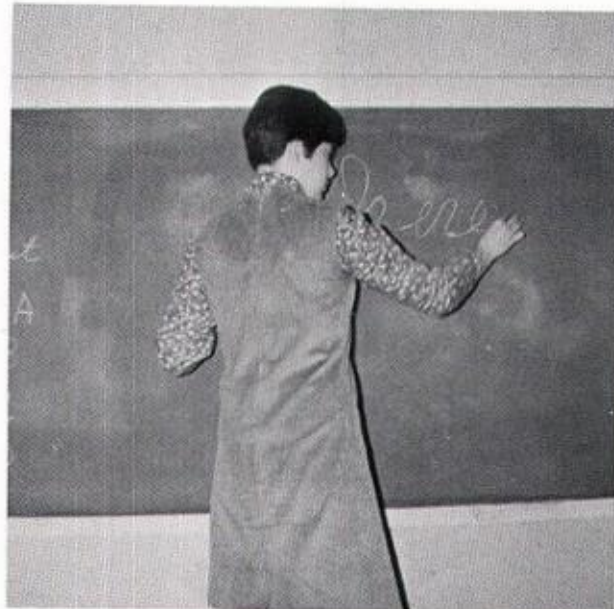

We the Seniors of Mulhall-Orlando High School wish to dedicate this annual to this first year and following years of consolidation for the two schools. The Senior Class, along with the rest of the school, is working hard to make it a success. This annual represents the students of this school, the teachers, and the administration. The annual staff has very diligently created this annual. Everyone has cooperated, and we leave our fellow classmates a worthwhile and energetic future at Mulhall-Orlando High School.
